Lettering Policy

❖ Any player who is involved with Varsity at some point during the season will receive a letter, at coaches discretion. Involvement is classified as being involved in the Varsity Squad on a match day. This will mean you have sat on the bench during an 80 min game or stepped onto the field of play. If you practice or workout with Varsity during the year, this does not mean you will receive lettering - unless you have fulfilled the requirements above.

❖ Playing in a Playoff Game
